Reception Year Vision and Hearing Screening

The Healthy Child Programme team will also be visiting your child's school to test the hearing and vision of children during their Reception year. A member of the school staff may be present during screening.

All children are eligible for this service on school entry, including those who wear glasses.

Providing more information about your child before we visit school

Please use the QR code or link below and complete parts 1 & 3 on the form, if your child:-

- Is under regular review at the hospital for ears, eyes or both
- Has additional needs

IMPORTANT INFORMATION – CHILDREN WEARING PROGRAMMABLE SHUNTS

Hearing screening equipment used by us can affect the programmable shunt – it is very important that you opt your child out of school hearing screening if they have one fitted.

Please opt your child out by completing parts 1 & 2 of the online form if they have a programmable shunt fitted.

Vision and hearing screening results

- **Pass result**
  You will not receive a results letter if your child passes the screening.
  Take your child to see an optician for a vision check when they are 9 Years old.

- **Not passed or unable to test**
  A letter will come home with your child on the day of screening with the results and further information on what happens next.

  Your child's vision and hearing result will be shared with school. If you do not want us to share your child's vision and or hearing results with the school please contact us by the date shown in the grey box below.

Opting your child out of vision and hearing screening
