8. The Headteacher ensures that sound systems of internal control are in place.
9. The Headteacher compiles draft budgets.
10. The Headteacher monitors the budget monthly and supplies the Governing Body with monitoring information. The information for the Governing Body takes the form of Norfolk's budget proforma, includes committed expenditure and is accompanied by the Headteacher's written commentary.

The Staff

11. Staff comply with financial regulations in Norfolk's Scheme for Financing Schools and any school specific requirements.
12. Staff are responsible for any budget whose management is delegated to them.

13. In line with the school's whistleblowing policy, all staff have a responsibility to alert the Headteacher or Governing Body if areas of concern arise in respect of the school's financial affairs.

Expenditure Limits

14. The inclusion of an item in the approved budget plan gives authority to spend, save that the Headteacher seeks approval from the Chair of Governors for any individual transaction in excess of £5,000.
15. When virements need to be carried out, they will be minuted appropriately and require the following authorisation:
- Virements up to £30,000 – the Headteacher, reported to the Governing Body
 - Virements in excess of £30,000 – the Governing Body
16. Any expenditure in excess of 5,000 not included in budgets is to be made only after approval from the Governing Body.

Orders

17. Quotations are obtained or tenders sought for purchases exceeding the limits set out in Norfolk's Scheme for Financing Schools.

Minutes

18. Minutes are taken which record the basis for any decisions made and clearly state the decisions themselves. Draft minutes are circulated to members of the Governing Body and are agreed and signed at its next meeting. The minutes of any sub-committees formed in exceptional circumstances are reported to the Governing Body.

Register of Business Interests

19. The Headteacher maintains a register of business interest for Governors and for Staff who influence financial decisions. Appendix 2 and Appendix 3 of the Financial Procedures Manual support this process and can be found in the Finance Policies Associated Documents folder.

Key Financial Tasks

20. The Governing Body undertakes the key financial tasks each term. Appendix 4 of the Financial Procedures Manual supports this process and can be found in the Finance Policies Associated Documents folder.

B FINANCIAL PLANNING

1. The School Development Plan includes a statement of its educational priorities to guide the planning process. The School Development Plan states the priorities in sufficient detail to provide the basis for constructing budget plans.
2. There is a clear, identifiable link between the School's annual budget and the School Development Plan.

3. For each of the key issues in the School Development Plan, costs and other inputs are identified and budgets prepared.
4. The School Development Plan is reviewed annually to ensure that educational priorities are stated for the next three years and shows how the use of resources is linked to achieving the goals.
5. The school budget is revised after the review of the development plan and resources identified within the budget to deliver the plan's priorities.
6. The school budget is maintained for the current financial year and at least two further years.
7. The budget is based on realistic estimates of all income and expenditure so that planned expenditure does not differ materially from the agreed budget.
8. The budget and cash flow forecast are profiled in accordance with likely spending patterns.
9. In the event of a budget surplus this is earmarked for a future specified use.
10. A record is maintained of all ongoing commitments with explanations of any significant year-on-year changes.
11. All new initiatives are appraised by the Governing Body in relation to their costs, benefits and sustainability.
12. The main elements of the budget are fundamentally reviewed within a five year cycle.
13. The budget cycle is as follows:

3. The Headteacher identifies and recommends to the Governing Body appropriate remedial action for budget variances.
4. The Headteacher recommends to the Governing Body how to vire any in-year underspends in excess of £2,000 (The Headteacher is authorised to vire amounts up to £2,000)
5. The Headteacher monitors expenditure on initiatives in the School Development Plan.
6. No devolved budgets are held in the school.
7. Where appropriate, the Headteacher produces monthly cash flow forecasts to ensure the school does not go overdrawn.

D PURCHASING

1. All orders comply with the LA's Standing Orders for Contracts as published in Norfolk's Scheme for Financing Schools.
2. The school demonstrates value for money through competitive tendering when appropriate or by using ESPO or other approved purchasing arrangements.
3. For budgeted or set financial expenditure, prior approval of the Chair of Governors is obtained for any expenditure in excess of £5,000. Orders are not artificially split to evade this limit. For non-budgeted expenditure, which will impact on final budgets, prior approval of the Governing Body is to be sought.
4. The school will not enter into any "finance lease" and will ensure that any lease entered into is an "operating lease". Leases will be submitted to the Finance and Business Services Team to be checked as to their type before any agreement is entered into.
5. Three written quotations are obtained for any order whose value is estimated between £5,000 and £30,000.
6. If a quotation other than the lowest is accepted it is reported to Governing Body and the reasons minuted.
7. Contract specifications will contain the following:
 - contract duration
 - definitions

- contract objectives
 - services to be provided
 - service quantity
 - service quality standards
 - contract value and payment arrangements
 - information and monitoring requirements
 - procedure for disputes
 - review and evaluation requirements
8. The official pre-numbered orders are used for all services except utilities, rent, rates, petty cash and any payments due under a loan/lease agreement. Any urgent verbal order is confirmed by a written order.
 9. Individuals will not use official orders to obtain goods or services for themselves.
 10. All orders are signed by an authorised signatory and the finance office maintains an up-to-date list of signatories, which can be found at Appendix 2.
 11. The signatory will be satisfied that the goods or services are appropriate and necessary, that competitive tenders have been obtained where necessary and that there is sufficient budgetary provision.
 12. Each order placed is entered in the school's financial system as a commitment.
 13. The school checks goods received against the delivery note and the delivery note is checked against the invoice. The invoice is also checked against the order. Evidence of this is provided by the use of rubber stamps approved by Norfolk Audit Services. The other checks indicated on the stamps are also carried out. These checks are not done by the person who signed the order.
 14. Payment is made within the agreed time limits after certification by an approved signatory.
 15. Wherever possible, an invoice is not authorised for payment by the person who signed the order nor by the person who checked receipt of goods/services. Payment is only made against the original supplier's invoice and not on a statement.

E FINANCIAL CONTROLS

1. A written description of all the school's financial systems and procedures is maintained. These are kept up to date and all appropriate staff trained in their use.
2. The Headteacher has secured contingency arrangements to ensure that financial control can be maintained in the absence of key staff. These arrangements are that the Secretary and Finance Assistant have training in the finance systems and the LA can provide support staff in an emergency.

3. The Headteacher has due regard to separation of duties in organising financial duties. At least two people are involved in the completion of tasks and the work of one acts as a check on the work of the other.
4. The school maintains proper accounting records. All transactions can be traced from accounting records to prime vouchers and all prime vouchers are traceable in the accounting records. The use of correcting fluid is not allowed. Any alterations to original documents are clearly made in ink and initialled to identify the person making the alteration.

8. All cheques are crossed 'account payee'. Cheque books are stored securely when not in use.
