We, the Governing Board, have adopted this policy.

1. Section A - Introduction

This policy sets out the framework for making decisions on teachers' and support staff pay. In respect of teachers (including leadership staff), it has been developed to comply with current legislation and the requirements of the School Teachers' Pay and Conditions Document (STPCD) and has been consulted on with staff and/or the recognised trade unions. For support staff, it reflects the national and local (Norfolk County Council) Green Book provisions. Section B covers teaching and leadership staff whilst Section C covers support staff.

A1 Equalities and support

It is our intention that pay is awarded fairly, equitably and in support of our policy on equality and recognising their responsibilities under relevant legislation.

Appropriate consideration will be given as to how the provisions of this pay policy will be applied where employees have been absent for long periods e.g. due to sickness or maternity leave.

We expect adherence to this policy in line with obligations under equality legislation. Headteachers must ensure that all reasonable adjustments or supportive measures are considered to allow equality of access and opportunity regardless of age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex; or sexual orientation.

Through the implementation of this policy, we will be mindful of our obligation to seek to maintain and protect the mental health and wellbeing of all staff as far as is reasonably practicable.

According to ACAS it is estimated one in seven people are neurodivergent, meaning that the brain functions, learns and processes information uniquely. Where an employee discloses neurodiversity, we understand the employee may require extra support in relation to the application of this policy. Where reasonable adjustments are necessary and can be accommodated, the Headteacher will support these.

A2 Aims

In adopting this pay policy, the aim is to:

- maximise the quality of teaching and learning at the school
- support the recruitment and retention of a high-quality workforce
- enable the school to recognise and reward staff appropriately for their contribution to the school
- help to ensure that decisions on pay are managed in a fair, just and transparent way whilst eliminating unnecessary bureaucracy for all concerned.

A3 Decision-making and appeals

We have overall responsibility for pay decisions, but the Pay Committee and Headteacher Pay Committee (or equivalents) have full delegated powers to make decisions within the framework set by this pay policy. The Headteacher may operate the pay policy on a day-to-day basis in line with boundaries set by the Governing Board.

An employee may appeal against any determination in relation to their pay or any other decision taken that affects their pay. Appeal arrangements are outlined at Annex 2a (Headteachers) and Annex 2b (staff other than Headteacher).

A4 Pay structure

For the purposes of transparency and to deliver a clear framework for the Headteacher and staff to operate within, we have adopted the pay structures for leadership and teaching staff detailed at Annex 4 and pay scales for support staff detailed at Annex 5.

All employees will have their salaries determined through this policy other than those individuals who have pay arrangements which are specifically protected by Transfer of Undertakings (Protection of Employment) [TUPE] legislation.

A5 Salary protection or safeguarding

We will ensure that salary protection or safeguarding arrangements are in place in accordance with the provisions of the STPCD or national or local collective agreements as appropriate.

Employees in receipt of salary protection or safeguarding payments will be expected to undertake commensurate work.

A6 Pensions

We will not increase the salary of any employee or use any other pay flexibilities to secure an improved pension entitlement on retirement. Such enhancements would likely be in breach of pension scheme legislation and may represent misuse of public funds. We recognise that a pension scheme may exercise their powers to use a notional salary for benefits calculation if it believes an inflated salary has been allowed, and that the DfE and/or Local Authority may exercise their powers to remove financial delegation in such circumstances.

2. Section B - Teaching and Leadership Staff

B1 Pay Reviews

We will ensure that each teacher's salary is reviewed annually, with effect from 1 September and no later than 31 October each year, and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled.

© 2025 Norfolk County Council

Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.

Where a pay determination leads or may lead to the start of a period of safeguarding, we will give the required notification as soon as possible and no later than one month after the date of the determination.

B2 Basic Pay Determination on Appointment

We will determine the pay range for a vacancy prior to advertising it. On appointment we will determine the starting salary within that range to be offered to the successful candidate. These determinations will be made within the framework set out in this policy. There is no requirement in the statutory framework for a teacher to be paid at the same rate in their new role as they were being paid in a previous school.

B3 Pay progression

B3.1 Pay progression for Teaching Staff, Leadership Staff and Unqualified Teachers

All teachers can expect to receive regular constructive feedback on their performance and development and are subject to annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in our Appraisal Policy.

The criteria we will use when making decisions on pay progressions are in accordance with the School Teachers' Pay and Conditions Document. The Document specifically states that teachers (including leadership, teaching and unqualified teaching staff) who have completed a year of employment since the last annual pay determination are entitled to be considered for progression within their scale. Subject to that:-

Following an individual teacher's annual appraisal and, subject to the provisions of this pay policy, a teacher should expect to receive pay progression within the relevant pay range unless they are subject to capability procedures.

Performance objectives will be set annually with all teaching staff in accordance with the Appraisal Policy.

There shall be no progression up the pay spine unless there has been a sustained high quality of performance having regard to the results of the most recent appraisal.

Pay progression decisions will be clearly attributable to the performance of the individual. Sustained high quality of performance, having regard to the results of the most recent appraisal, should give the individual an expectation of progression within their pay range where there is scope for such progression.

B3.2 Pay progression for Early Career Teachers (ECTs)

In the case of ECTs, the Headteacher will determine the teacher's performance and any pay recommendation by means of the statutory induction process set out in the Education (Induction Arrangements for School Teachers) (England) Regulations.

The Headteacher will also ensure that ECTs are not negatively affected by the extension of the induction period from one to two years.

Pay progression is an option for all ECTs at the end of the first year provided the stated requirements are judged to be met. If an ECT requires an extension to their first year due to unforeseen circumstances (e.g. absence from work), this will not necessarily prevent pay progression after the first year in role, provided evidence of positive assessments prior to the unforeseen circumstances is available to support consideration of the ECT's performance related pay progression.

B4 Pay arrangements for Leadership Group Staff

Salaries for members of the leadership group will be assessed:

- on appointment to the school
- annually, to take effect from 1 September
- upon any adjustment to the Headteacher group or pay range
- at any other time provided for within the STPCD.

B4.1 Stage 1 - defining the role and determining the Headteacher group

For any leadership post, we will define the role, responsibilities and accountabilities, as well as the skills and relevant competences required by the postholder, and they will be paid within the statutory pay range for such employees as detailed in the STPCD.

We will assign a Headteacher group in respect of any Headteacher post. This will be done by calculating the total unit score in accordance with the STPCD. This group will be reviewed whenever we deem it necessary.

For other leadership group posts, consideration will be given to how the role fits within the wider leadership structure of the school.

The pay range for a Deputy or Assistant Headteacher will only overlap the Headteacher's pay range in exceptional circumstances.

We have determined the Headteacher group of the school to be Group **2**.

B4.2 Stage 2 - setting the indicative pay range

In determining leadership pay ranges, we will consider the complexity and challenge of the role in the school's specific context and make a judgement on pay in the light of this.

© 2025 Norfolk County Council

Headteachers

For Headteachers, discretionary payments such as allowances for recruitment and retention, permanent additional responsibilities (e.g. the provision of initial teacher training (ITT)), and long-term provision to other schools, will be captured as part of this process.

In setting the pay range, we have taken into account additional factors to the extent deemed appropriate for the school. The additional factors are:

The context and challenge arising from pupils' needs, e.g., high level of deprivation in the community (Free School Meal entitlement and/or English as an Additional Language (EAL) indicators) or there are high numbers of Looked After Children (LAC) or children with special needs or there is a high level of in-year pupil mobility, and this affects the challenge in relation to improving outcomes.

- A high degree of complexity and challenge which goes significantly beyond that expected of any Headteacher of similar sized school(s) and is not already reflected in the total unit scored used at Stage 1.
- Additional accountability not reflected in Stage 1, e.g. leading a teaching school alliance.
- Factors that may impede the school's ability to attract a field of appropriately qualified and experienced leadership candidates, e.g. location, specialism and/or level of support from the wider leadership team.]

The Headteacher's individual pay range will not normally exceed the maximum of the Headteacher group, however, we recognise the entitlement to set a range with a maximum of up to 25% above the top of the relevant Headteacher group range. We also recognise we have the option of extending the pay range further, although in order to do so, we would be required to seek external independent advice and have a business case approved by the full Governing Board.

In determining appropriate pay ranges, we will avoid double counting, e.g. things taken account of in Stage 1, such as responsibility for an additional school already reflected in the unit total score.

Other leadership posts

For leadership posts other than the Headteacher, we will give consideration to similar factors but also to the positioning of those posts between the Headteacher and other teaching staff in the school.

We have set indicative pay ranges as follows:

- seven consecutive points on ESOPS - Leadership Group Range for the Headteacher L11-L17.
- five consecutive points on ESOPS - Leadership Group Range for any Assistant Headteacher L1-5.

© 2025 Norfolk County Council

B4.3 Stage 3 - setting the starting salary and individual pay range

New members of the leadership group will normally be appointed to the indicative pay range for the role as above.

We will ensure, on appointment, that the starting salary is set at a level within the indicative pay range which allows performance related progression over time.

B4.4 Pay progression

Where a leader has not reached the maximum point of either their identified salary range, pay progression considerations within that range (with effect from 1 September each year) will be as per paragraph B3.1 above.

B4.5 Determination of temporary payments to Headteachers

The approach outlined in paragraphs B4.1 to B4.3 will capture all permanent responsibilities attached to a Headteacher's post. In most cases, therefore, additional payments will only be awarded for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined, and only where the reason or circumstance for the additional payment was not taken into account when determining the pay range.

The total sum of the temporary payments made to a Headteacher in any academic year will not exceed 25% of the annual salary which is otherwise payable. Further, the total sum of salary and other payments will not exceed 25% above the maximum of the Headteacher group (except in wholly exceptional circumstances, in which case, we will seek external independent advice before providing such agreement.

Payments relating to residential duties or relocation expenses (see below) should not be included in this calculation.

B4.6 Additional payments to the Headteacher

Subject to paragraph B4.5 above, we may exercise our discretion to award additional payments to the Headteacher as follows:

Relocation

We may grant reasonable reimbursement of housing or relocation costs on first appointment.

B6 Arrangements for Qualified Teachers

B6.1 Main pay range

Determination of salary on appointment

[Governing Board to choose either Option 1, 2 or 3 below and delete whichever is not appropriate.]

Option 1 (for schools adopting the STPCD advisory points/ESOPS model and using model criteria for award of points on first appointment)

We have adopted a six-point main pay scale which begins at the minimum of the pay range and ends at the maximum and contains four reference points in between. This is set out in ESOPS (see Annex 4) and mirrors the advisory pay points laid out in the STPCD.

On appointment, points on this pay scale will be awarded as follows:

- qualified teachers will commence on at least the minimum point of the adopted Main Pay Scale.
- one point will be awarded for each year of teaching employment as defined by the STPCD. Further points (subject to a maximum of one point per year) may be awarded in respect of other relevant experience, if considered appropriate. This may include teaching in a City Academy, City Technology College, independent school, sixth form college, or higher or further education establishment.
- additional points (subject to a maximum of one point for every three years) may be awarded for service as a qualified teacher in an overseas school outside of the EEA in the maintained sector of the country concerned, or outside teaching but in a relevant area (including industrial or commercial training, or time spent in an occupation relevant to the teacher's work at the school).
- we will consider the awarding of points on appointment on a case by case basis, having regard to equal opportunities, fairness and transparency.
- points awarded for experience will be awarded on a permanent basis while employed at the school.

Consideration of existing salary on appointment

We have determined that we will recognise existing salaries when making a new appointment.

© 2025 Norfolk County Council

B6.2 Upper Pay Range

We will pay teachers on the upper pay range where the stated criteria in the STPCD are met.

Pay levels

We have adopted an upper pay scale that consists of the minimum and maximum values of the upper pay range plus one reference point as set out under ESOPS scales (see Annex 4) which mirrors the advisory points included in the STPCD.

B6.3 Pay progression

Where a teacher is first appointed below the maximum point of either the main pay scale or the upper pay scale, pay progression considerations within the respective scale (with effect from 1 September each year) will be as per paragraph 3.1 above. Movement from the main pay scale to the upper pay scale is covered in section 6.4 below.

B6.4 Movement to the Upper Pay Range

Applications and Evidence

Any qualified teacher may apply to be paid on the upper pay range and **any such application must be assessed in line with this policy**. It is the responsibility of the teacher to decide whether they wish to apply to be paid on the upper pay range. Applications may be made at least once a year.

If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or schools. We will not be bound by any pay decision made by another school.

All applications should include the results of reviews or appraisals under the 2011 or 2012 regulations, including any recommendation on pay (or, where that information is not applicable or available, a statement and summary of evidence to demonstrate that the applicant has met the assessment criteria).

The Assessment

An application from a qualified teacher will be successful where the Governing Board is satisfied that:

a) the teacher is highly competent in all elements of the relevant standards; and
b) the teacher's achievements and contribution are substantial and sustained.

For the purposes of this pay policy:

- 'highly competent' means e.g. performance which is not only good but also good enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution

© 2025 Norfolk County Council

to the work of the school, in order to help them meet the relevant standards and develop their teaching practice.

- 'substantial' means e.g. of real importance, validity or value to the school; play a critical role in the life of the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning]

- 'sustained' means e.g. maintained continuously over a long period, e.g. number of school year(s).

The application will be assessed by the Headteacher in making the final determination**.**

Processes and procedures

The assessment will be made within/by 20 working days before the applicant will receive a response to their application, or if there is a single deadline for applications, whether there will be a single date for applicants to be informed of the outcome.

In accordance with the school's Performance Management Policy, the Governing Board shall require the Headteacher to agree performance criteria annually with each teacher and review performance against those criteria.

There will be no movement up the pay range unless there has been a sustained high-quality performance by the teacher in the light of the performance criteria previously agreed between the Governing Board and the teacher and as evidenced by a successful performance management review.

The Governing Board will award movement up the pay range by one reference point as part of any pay review with reference to the teacher's most recent appraisal report and the pay recommendation contained therein.

If unsuccessful, feedback will be provided by Headteacher within 10working days of decision.

Any appeal against a decision not to move the teacher to the upper pay range will be heard under the general appeals arrangements.

B6.5 Discretionary allowances and payments

Teaching and learning responsibility payments - TLRs 1 and 2

No TLRs have been attached to posts in our staffing structure.

Special educational needs allowance (SEN)

A SEN allowance with an annual value between the minimum and maximum set by the STPCD will be awarded to any teacher:

- employed in a special school
- in a SEN post that requires a mandatory SEN qualification and involves teaching pupils with SEN
- that teaches pupils in one or more designated special classes or units in a school
- in any non-designated setting (including PRUs) equivalent to a designated special class or unit where the post:
  - (i) involves a substantial element of working directly with children with special educational needs: **and**
  - (ii) requires the exercise of their professional skills and judgement in the teaching of children with special educational needs: **and**
  - (iii) has a greater level of involvement in the teaching of children with special educational needs than is the normal requirement of teachers throughout the school or unit.

We will determine the spot value of the allowance (within the range set by the STPCD) for each relevant teacher taking into consideration the structure of the SEN provision and:

- whether any mandatory qualifications are required for the post
- the qualifications and expertise of the teacher relevant to the post, and
- the relative demands of the post.

We have determined that any SEN allowance awarded will be to the value of £**[SEN allowance value]**.

B6.6 Additional payments

We may exercise discretion to award additional payments to teachers as follows:

Continuous professional development outside normal school hours

We have chosen not to exercise discretion to award additional payments for continuous professional development outside of normal school hours.

© 2025 Norfolk County Council

Activities relating to the provision of initial teacher training

We have chosen not to exercise discretion to award additional payments in respect of the provision of initial teacher training.

Participation in out of school hours learning activities

We have chosen not to exercise discretion to award additional payments for participation in out of school learning activities.

Additional responsibilities and activities linked to provision of services relating to raising of educational standards to one or more additional schools

We have chosen not to exercise discretion to award additional payments for additional responsibilities and activities linked to provision of services relating to raising of educational standards to one or more additional schools.

Acting allowances

Where a teacher is assigned and carries out the duties of a Headteacher, Deputy Headteacher, or Assistant Headteacher but has not been appointed in an acting capacity, we shall, within four weeks, determine whether or not an allowance should be paid in accordance with the provisions of the STPCD.

Recruitment and retention incentives and benefits

We have chosen not to exercise discretion to award such incentives and benefits.

Residential teacher duties

There are no residential teachers at the school.

B7 Arrangements for Unqualified Teachers

B7.1 Salary arrangements

The salaries of unqualified teachers will be assessed on appointment and will be paid on the unqualified teacher pay range.

© 2025 Norfolk County Council

We have adopted a pay range for unqualified teachers that consists of the minimum and maximum of the unqualified teacher pay range plus four reference points as set out in ESOPS (see Annex 4) and mirrors the advisory points laid out in the STPCD.

On appointment, points on this pay scale will be awarded as follows:

- one point for a recognised overseas teaching qualification, or for a recognised post-16 teaching qualification, or a recognised qualification relevant to their subject area
- one point on the scale for each year of school teaching as an overseas trained teacher or teaching in higher/further education.

B7.2 Pay progression

Where an unqualified teacher is first appointed below the maximum point of the unqualified teachers' pay range, pay progression considerations (with effect from 1 September each year) will be as per paragraph 3.1 above.

B7.3 Relevant experience on appointment

Where an unqualified teacher is appointed who has experience of working in a relevant area, (including industrial or commercial training, time spent in an occupation relevant to the teacher's work at the school, or experience with children/young people) and we consider this to be of value to the performance of their duties, we may award an additional point or points – on the basis of one point for every four and a half years of work in a relevant area.

B7.4 Additional allowance

We may determine that such additional allowance as considered appropriate, is to be paid to an unqualified teacher where we consider, in the context of the staffing structure and pay policy, that the teacher has:

a) taken on a sustained additional responsibility which:
   i. is focused on teaching and learning; and
   ii. requires the exercise of a teacher's professional skills and judgement; or
b) qualifications or experience which bring added value to the role being undertaken.

B8 Pay increases arising from changes to the STPCD

All teachers (leadership, teachers and unqualified teachers) are paid in accordance with the statutory provisions of the STPCD as updated from time to time. In respect of annual cost of living increases,

[Governing Board to choose either Option 1 or 2 below and delete whichever is not appropriate.]

© 2025 Norfolk County Council

Option 1

any teacher being paid at the minimum of a range will receive an uplift where required to keep them within their range. Beyond that, increases may be applied to: basic pay; and/or

- TLR and SEN allowances in payment; and/or
- other allowances in payment.

Other than where those at the minimum of a range are automatically uplifted, we will consider the uplift on a year by year basis. The general intention is to maintain a clear structure of points in line with ESOPS (which in turn reflect the advisory points published in the STPCD) but we reserve the right to move away from this through any annual determination whilst retaining the minimum and maximum range limits.

B9 Part-time Teachers

Teachers employed on a contract at the school who work less than a full working week are deemed to be part-time. The STPCD contains specific requirements for the determination of pay for part-time teachers. It states that a part-time teacher should be paid a proportion of a full-time salary including relevant allowances * (except TLR3), equivalent to the proportion of time they work against the School's Timetabled Teaching Week (STTW).

* Although the pro-rata principle remains unchanged in respect of main salary and some allowances, the situation in respect of TLR payments 1 and 2 is changing. Details of the Governing Board's determination in respect of TLRs 1 and 2 is provided under section 5.5 above.

The STTW refers to the school session hours that are timetabled for teaching, including PPA time and other non-contact time but excluding break times, registration and assemblies.

We require that the salaries of part-time teachers are calculated in line with the example given in the STPCD (main document and guidance).

B10 Short Notice/Supply Teachers

Teachers who work on a day-to-day or other short notice basis will be paid in accordance with the requirements of the STPCD.

Such teachers will have their pay assessed as an annual amount. Payment will then be based on that annual amount divided in a normal year by one hundred and ninety-five for each full day worked. The maximum number of hours a supply teacher can be paid for on any one day is six and a half. Teachers who work less than a full day will have their

© 2025 Norfolk County Council

payment based on an hourly rate calculated from their annual amount divided by 195 and then divided by 6.5.

In some years, the school year is reduced to below 195 days and the calculation of daily pay (and therefore hourly pay) should use the adjusted number of school days.

These arrangements apply only to teachers employed directly by the school on a day-to-day or other short notice basis and pay arrangements will be confirmed with the teacher before the placement starts. Agency workers will be covered by the pay arrangements determined by their employing agency.

B11 Tutors

STPCD 2021 introduced clarity on arrangements for payment to main pay range teachers and upper pay range teachers in respect of tutoring work undertaken to address learning disruption as a result of the Coronavirus pandemic. The mechanism for payment should be through TLR3 (for additional work undertaken outside normal directed time but during the school day) and/or through the facility for payment in respect of out of school hours learning activity (for additional work undertaken outside the school day). The school will use these mechanisms where tutoring work is undertaken.

3. Section C - Support Staff

The Governing Board is aware that the Department for Education is working in the establishment of a new School Support Staff Negotiating Body (SSSNB) under the Government's Employment Rights Bill. It is expected that the new SSSNB will be responsible for determining pay and many of the employment terms and conditions for non-teaching staff that are currently determined by the National Joint Council for Local Government Services nationally or by the Local Authority locally. At the time of adoption, the scope and likely effective date of any change over to SSSNB specified arrangements is not known and so this policy has been adopted to reflect the existing provisions for our non-teaching employees. Essentially, the Governing Body will continue to apply the existing NJC/NCC-determined provisions as outlined here until a change is applied through SSSNB statute.

C1 Pay reviews for support staff

The conditions of service for support staff may provide for a number of incremental points within a specified grade. Where this is the case, support staff will progress through the incremental points until they reach the maximum of their grade. Incremental progression will be automatic unless the employee is subject to capability procedures, in which case, their annual increment is likely to be withheld. The annual incremental date will be 1 July (in line with the Norfolk County Council Modern Reward Strategy (MRS) local agreement arrangements) except when the employee does not have six months service by that date. In these circumstances the first increment is awarded after six months service and then further increments, where due, on subsequent 1 July anniversaries.

Salaries for support staff are determined in accordance with nationally and locally agreed conditions of service.

© 2025 Norfolk County Council

Option 1 (For Community and Voluntary Controlled Schools)

The grades and salaries for support staff in this school are determined in accordance with Norfolk County Council's Modern Reward Strategy local agreement and subsequent related local/collective agreements (other than where exceptions apply). Arrangements for grading, salary progression and cost of living increases are all covered by those agreements.

The salaries of all support staff will normally be assessed:

- on appointment to the school
- annually to take effect from 1st July
- upon an appropriate request by the postholder
- at any other time we deem appropriate.

This assessment will be determined by the following criteria:

- responsibilities of the post and within the MRS framework
- performance of the postholder in accordance with previously agreed objectives and the relationship between the outcome and the scheme for progression (i.e. annual increments within the grade)
- in accordance with any career progression scheme for support staff in use at the school.

Acting up and Honoraria payments

Where a support staff employee is required to undertake the full duties and responsibilities of a higher graded post for a continuous period of at least four weeks, they are entitled to the salary in accordance with the grade of the new role. This is known as 'Acting Up'. Where an employee is undertaking duties of a higher level of responsibility for a continuous period of at least four weeks but is not covering the full role to which the responsibilities relate to, they may be entitled to an honorarium payment.

Strategy consideration - *Acting Up and Honorarium Policy and Procedure P212* on InfoSpace has further information.

4. Section D - General

D1 Apprenticeships

The rate paid to an apprentice will be dependent on the status of the post they occupy. If the post they occupy is part of the normal staffing structure of the school, the apprentice will be paid the normal rate for the job under the provisions outlined above. If the post is additional to the normal staffing structure, the appropriate apprenticeship rate will

© 2025 Norfolk County Council

normally be attached to the post. Current apprenticeship rates are published at www.gov.uk/national-minimum-wage-rates.

D2 Data Protection

Personal data collected and processed for the purpose of this policy [and/or procedure] will be handled in accordance with the data protection policy and applicable statutory obligations. Any personal data collected is held securely and accessed by, and disclosed to, individuals only for the purposes of employee management or to comply with statutory reporting obligations. Inappropriate access to, or disclosure of, employee data constitutes a data breach and should be reported without delay, in accordance with the data protection policy. It may also constitute a disciplinary offence in which case it would be dealt with under our disciplinary policy and procedure.

D3 Monitoring the impact of the policy

We will monitor the outcomes and impact of this policy on a regular basis and will ensure its continued compliance with equalities and other legislation.

Annex 1 - Pay and performance management appeal procedure

An employee may appeal against any determination or proposed determination in relation to their pay or performance management.

Possible grounds for appeal are that the person or committee that made the decision:

In the case of teachers:

- incorrectly applied a provision of the STPCD
- failed to have proper regard for the relevant statutory guidance
- failed to take account of relevant evidence
- took account of irrelevant or inaccurate evidence
- failed to apply the school's pay policy
- was biased, or
- otherwise unlawfully discriminated against the teacher.

In the case of support staff:

- has applied the job evaluation scheme incorrectly
- has not taken into account all relevant information when grading the job
- referred to incorrect or out of date information when grading the job
- failed to apply the school's pay policy
- was biased
- otherwise unlawfully discriminated against the member of support staff.

All decisions on teacher pay are made by the Governing Board and appeals should be heard through the Pay appeal procedure in Annex 2.

For support staff, where the school is bound by, or has adopted, Norfolk County Council's Modern Reward Strategy, decisions on grading are taken by the County Council. In those cases, where an employee wishes to appeal against the allocated grade, they should follow the appeal arrangements within the Modern Reward Strategy. The school will facilitate wherever possible.

For support staff, where the school is not bound by Norfolk County Council's Modern Reward Strategy and has determined to adopt alternative arrangements, all appeals will be heard through the Pay appeals procedure at Annex 2(b).

© 2025 Norfolk County Council

For appeals against pay progression decisions within an agreed grade or range, the following arrangements will apply:

- the employee receives written confirmation of the pay determination and, where applicable, the basis on which the decision was made
- if the employee is not satisfied, they seek to resolve this by discussing the matter informally with the decision maker within 10 working days of the decision
- where this is not possible, or where the employee continues to be dissatisfied, they may follow a formal procedure as set out below
- the employee puts in writing their reasons for appeal. This should be sent to the person or committee that made the determination within 10 working days of the notification of the decision, or within 10 working days of the informal discussions that attempted to resolve the matter.
- the person or committee who made the determination should provide a hearing within 10 working days of receipt of the written grounds for questioning the pay decision to consider this. The employee must be given an opportunity to make representations in person and will be entitled to be accompanied by a colleague or trade union representative. Following the hearing, the employee should be informed in writing of the hearing's decision and the right of appeal
- any appeal should be heard by a pay appeals committee composed of three governors who were not involved in the original determination, normally within twenty working days of the receipt of the written appeal notification. At the hearing, the employee lodging the appeal should be given the opportunity to make representation in person and to be entitled to be accompanied by a friend or trade union representative
- a designated member of the appropriate pay committee (or where the decision was made by the Headteacher, the Headteacher) will present evidence to support the original decision
- both parties may call witnesses
- relevant papers will be exchanged by the parties no later than three working days before the hearing
- the pay appeals committee will deliberate in private and will communicate their decisions to all parties in writing within 48 hours.

The decisions of the Pay appeals committee are final and there is no recourse to the staff grievance procedures.

Such appeals relate only to decisions made by the Governing Board and not to any determination made under changes to pay and conditions by accredited third parties.

Each step and action of this process should be taken without unreasonable delay. The timing and locations of the formal meetings must be reasonable and allow both parties to explain their cases.

The detailed procedure for the hearing of the appeal is set out in Annex 2.
