

Welcome to Reception!

Here are some photographs of your new school!

Here is the classroom. You can see the messy play, creative and role play area. The carpet is where you will sit for the registers, to listen to stories, sing songs and learn lots of exciting new things!

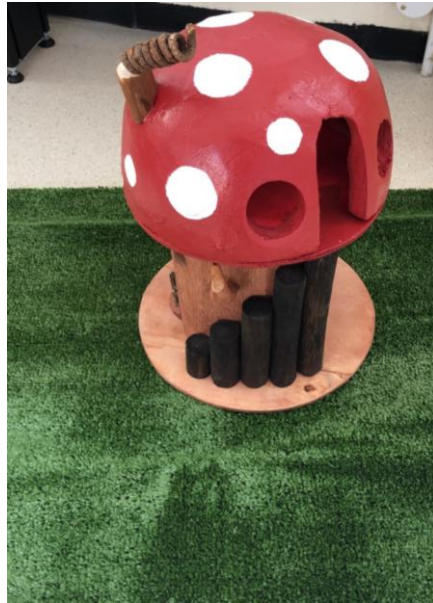

This is the messy table and role play corner. The door is where you will come into school in the morning and how you will leave at the end of the day

This is a picture of our cosy reading area. There are lots of lovely books to read, story baskets and puppets to retell stories.

We have lots of different coloured pencils, felt tips, crayons and chalks so you can create lots of fantastic pictures and mark making.

We have lots of small worlds such as fairy tale, pirate, dinosaur and jungle animals for you to play with.

This is a picture of the door where you will come in each morning. Your grownup will help you put your things away and help you choose an activity.

We have a fantastic water and sand tray!

This is where you can hang your coats and bags up to keep them safe.

This is a picture of the toilets.

This is a picture of our outdoor area. We have planters, a stage, bikes, den building, a work bench, a fantastic mud kitchen, water tray and welly rack.

We are very lucky to have a woodland area at our school!

We look forward to meeting you soon!
